

Industrial Maintenance Technician

Summary:

The Cleveland-Cuyahoga County Port Authority (CCCPA) is seeking a skilled **Industrial Maintenance Technician** to perform general facility maintenance and upkeep tasks such as repairs, improvements, inspections and general clean-up. This position will be responsible for performing repairs to Port Authority owned equipment and building systems to ensure facilities are clean, organized, safe, and functional.

Reliability, punctuality, and self-motivation with a keen eye for detail is imperative. The ideal candidate will have experience and solid technical knowledge. The candidate must also possess manual dexterity, physical stamina, and be comfortable working from heights and near water.

Duties and Responsibilities:

This position will report directly to the Cleveland-Cuyahoga County Port Authority's Vice President of Facilities and Operations and Industrial Fleet and Operations Manager.

The responsibilities of this position include:

- **Inspection:** Regularly inspect buildings, grounds, and equipment to identify potential issues.
- **Upkeep:** Perform duties such as minor painting, landscaping, and snow plowing/removal during the winter
- **Maintenance and Repairs:** Perform routine maintenance on building systems, vehicles, and power equipment.
- The CCCPA owns and maintains various pieces of equipment including 2 mobile harbor cranes, 2 reach stackers, 1 warehouse overhead crane, 2 manlifts, 1 yard spotter, 1 utility vehicle, and 5 trucks/SUVs. The ideal candidate will possess the ability to learn how these machines function and how to maintain them with the intent of minimizing equipment downtime. A strong understanding of mechanical, electrical, and hydraulic systems is preferred.

Industrial Maintenance Technician

The primary objective of this position is to ensure that the CCCPA consistently provides a clean, organized, safe, and functional environment for its employees, tenants, clients, visitors, and stakeholders.

Qualifications:

- Strong verbal and written communication skills
- Must have and maintain a valid Ohio driver's license
- Must complete a Federal Background Check to obtain and maintain TWIC (Transportation Worker Identification Credential)
- Effectively prioritize tasks
- Knowledge in electrical, plumbing, HVAC, and hydraulics
- Work outdoors in various weather conditions
- Strong problem-solving skills
- Adhere to all safety and security protocols and wear proper PPE when required
- Can properly identify hand and power tools and know their function and proper use
- Self-starter and motivated

Salary Range: \$60K - \$70K DOQ

This position also offers an excellent benefits package and paid parking.

Application Deadline: Open until filled.
